Adherence to Use
The attached listed copy(ies) of materials from the collections of the AHC will be considered for non-exclusive, one-time use only in the publication, project, production, or personal use detailed on this agreement. I understand that any alternate or additional uses, including but not limited to subsequent editions, reprints, re-releases, dust jackets, covers, print or broadcast advertisement, companion formats, and distribution in other markets, constitute a new use which must be documented and approved by the AHC.

Fair Use
