

Attachment 2a

This contract involves the selection of digital processes and equipment for beginning digitization at the AHC. It will involve choosing a service provider for digitization of approximately 13,000 images, then identifying ways of connecting photograph catalog data with the images at computers on the Parks and Tourism and online through the Internet.

According to Jim Carter (Arkansas Department of Parks and Tourism Information Systems Manager) this Stage One Digitization (SOD) Project comes under the jurisdiction of the Arkansas Department of Parks and Tourism Technology Plan for FY99 and the 2000-2001 biennium. It has been reviewed and approved by the Office of Information Technology, Department of Information Systems. See Attachment #2b: OIT/DIS Approval Letter.
